

Developing Horsemanship

Confident/Fast/Extroverted

With horses – Confident Fast people tend to be

TOO STRONG

Git R' Done

Don't read instructions

RESULTS NOW!

Have trouble understanding fear

Doing nothing is hard

Very good at disciplining horse

TOO MUCH PRESSURE

discipline

With horses – Confident Slow people tend to be **TOO SLOW**

Do lots of thinking, not a lot of action

They know all the steps to get there, happy to tell YOU what to do, but they are not doing it.

Want it perfect!...but progress is difficult

Thinkers, gathering data

They need to have a plan!

TOO ANALYTICAL

response

Confident/Slow/Introverted

Cautious/Fast/Extroverted

With horses – Cautious Fast people tend to be

TOO QUICK

They have huge safety issues

Have trouble with the present

Tend to be worried and full of "What-ifs?"

Trouble focusing on one thing

"Pretty bird!"

TOO SCATTERED

focus

trust

With horses – Cautious Slow people tend to be **TOO SOFT**

Fear – freeze can't think

Happy to sit and graze and groom

Bonding is important

Difficulty disciplining horse

TOO CONTENT

Cautious/Slow/Introverted

Qualities in blue need to be developed more for each type.
